Dear Mr. President,

I am writing to convey my deepest condolences and full solidarity with the people of Lebanon affected by the tragic explosion in Beirut yesterday. We are deeply saddened by the deaths and injuries and mourn with you the enormous loss of life and property. We wish a speedy recovery to the injured.

In difficult times like this we must put our differences aside and stand together. We are united in our thoughts and prayers for a fast recovery for Lebanon.

May G'd have mercy on all of them.
