Dear Ronald,

I hope that this letter finds you well and recovered from the exertions of Budapest. It was a wonderful and historic General Assembly and one that you should be very proud of.

The WJC has been placed at the forefront of the Jewish World as a result of this event which is vitally important at this critical time as we face so many threats to the security of our people and the State of Israel.

It is very fitting that you should be re-elected as president of the World Jewish Congress in Budapest at the geographical heart of all your decades of tireless work and commitment to revive the Jewish communities of central and eastern Europe.

When we look around the Jewish schools and institutions in this part of the globe, I and my colleagues at the EJC know more than anyone the link between these flourishing communities and your personal contribution which has so helped to make that fact possible.

It is not always easy – we probably know this better than most!! – to maintain a unity of purpose among those involved in working for the Jewish community. So to achieve that at a General Assembly for the benefit of all of the Jewish People does you tremendous credit.

My dear Ron, please accept my warmest congratulations and best wishes, both personally and on behalf of all our EJC family, for your re-election as president of the World Jewish Congress and my absolute commitment to working with you and all at the WJC for the benefit of our communities.

Kind regards,

Moshe
